Mini-Grant Application for School Garden Funds

The **Illinois EPA** is providing funding through **Keep Evanston Beautiful, Inc.** for the promotion of school gardens. If you are interested in expanding your existing garden program or are in the process of starting a garden, consider applying for these funds for EarthBoxes, raised beds or other needs. Up to \$250 is available. **Applications will be reviewed until April 20, 2011.** Only one application per school. Please mail your application to the address above.
